FREDDOCCINO

*Roshni's viral-worthy showstopper.
The only place in Mackay – maybe all of
North QLD – where you'll find this frothy,
creamy, ice-cold caffeine bomb...
Shaken, sealed, and served in a 500ml
fully recyclable can-style cup.
Snap it. Shake it. Crack it. Sip it.
It's the drink your feed's been waiting for.
Coffee just got cooler.*
